Bangor, ME

*Education and Advocacy Intern*

May 2019-July 2019

- Contributed to advocacy and education events, including supporting Bangor Pride events, co-planning a reproductive justice event series, and independently developing and facilitating a sex education workshop
- Observed and supported clinic operations, including abortion care, OB/GYN clinic, Hormone Replacement Therapy consultations, and front desk procedures about once a week
- Maintained monthly bulletin board with coordinating blog post for organization website
- Selected for highly competitive, national grant to support a full-time reproductive justice internship coordinated by the Civil Liberties and Public Policy (CLPP) program at Hampshire College, including travel to the CLPP Reproductive Freedom Conference in April 2019

### Summit: Journeys Martinique, Agnes Scott College

Decatur, GA

*Schmidt Scholar*

January 2019-May 2019

- Facilitate class about post-colonial Francophone perspectives in Martinique as teacher's assistant once every two weeks throughout semester
- Fostered group cohesion among twenty first-year students in classroom and while in placement country by proactively addressing issues of diversity and inclusion, resolving conflict, and managing logistical crises
- Selected through competitive application open to all non-first year students as student leader for first-year weeklong educational travel to Fort-de-France, Martinique

**Department of Neonatology, Emory University School of Medicine**

**Atlanta, GA**

*Behavioral Support Project Intern*

September 2018-May 2019

- Maintained data for following up with parents of children who were born premature about receiving psychological support for behavior and socioemotional problems; conducted follow-up calls with these parents
- Contributed to academic medicine research projects about implementing family integrated care in area NICUs; IRB application for study of BSP patient characteristics; and quality improvement evaluation of interventions to improve access of specialist behavioral services
- In spring, observed psychological evaluation, physical therapy, and medical examination in clinic for children between ages of 0-5 who spent prolonged time in NICU

**Kelly Ball, Ph.D., Agnes Scott College**

**Decatur, GA**

*Research Assistant*

May -July 2018

- Code books and articles for information relevant to research concerning origin of female adolescence in the history of psychology as part of paid part-time research assistantship
- Write historical framework and theoretical background sections; co-edit drafts of article for peer-reviewed publication with supervising professor
- Manage time to meet July deadline, working independently outside of weekly meetings with supervisor

**Office of Academic Advising, Agnes Scott College**

**Decatur, GA**

*Summit Peer Advisor*

June 2017-December 2017

- Supported assigned cohort of eleven first-year students' academic transition to college by planning and running events, facilitating workshops, and providing one-on-one advising about 5 hours per week

**McCain Library, Agnes Scott College**

**Decatur, GA**

*Circulation Assistant*

August-December 2016

- Welcomed students and visitors to the library and directed them to basic services as 10 hours per week work study student
- Handled checkout and return of books, DVDs, reserve items, electronic equipment, and bicycles, using training in the Library of Congress Classification System

**Planned Parenthood Greater Memphis Region**

**Memphis, TN**

*Advocacy Intern*

May-August 2016

- Co-planned sex education and advocacy modules for Let's Get REAL activism day camp; facilitated modules in the classroom in front of fifteen high schoolers
- Interviewed people who have had abortions in Tennessee and wrote their narratives for the Tennessee Stories Project website
- Advocated for the Tami Sawyer for District 90 of the Tennessee House of Representatives campaign by phone banking voters and managing voter data in VAN throughout internship period
